SENATOR SNYDER: With no further comment, I would ask that it remain on Select File until 875A catches up. I believe that that has been our SOB, has it not? To E & R and wait for it there? I would move that 875 as amended be advanced to E & R for engrossment.

PRESIDENT: Senator Skarda.

SENATOR SKARDA: Mr. President, I move that we indefinitely postpone LB875.

SPEAKER: Alright the motion to indefinitely postpone takes priority. Senator Skarda, do you wish to explain your position?

SENATOR SKARDA: Well I as a Senator am not going to sit by and let a 2 mil increase be put on the people of OMaha's back. I think that it is unfair and unjust and there is no accounting from anybody what this proposal is going to cost, how many aged are going to participate and get a figure from Senator Syas of \$600,000 with a 10¢ fare and Duke Snyder wants 2 million dollars, it is a complete confusion. Nobody seems to know what we are trying to do. I've got no sanction from the city council or anybody else involved. I think that we are strictly on a witch hunt.

PRESIDENT: Senator Syas then Senator Stahmer.

SENATOR SYAS: Pass.

SPEAKER: Senator Stahmer.

SENATOR STAHMER: Mr. President, I'm going to second what Senator Skarda said. We have vast areas of the town that are not even given any service with the bus transportation and we are asking these property owners to be taxed for a service that they don't even have and I think that there are better ways of straightening out this mess than the mess that we are getting into.

SPEAKER: Senator Mahoney.

SENATOR MAHONEY: Mr. President, just to say this that if the bill is killed, and I know that Senator Skarda has supported it all along, and he is supporting it here. Senator Syas could you listen?

SPEAKER: Lets have a little decorum in the chamber please.

SENATOR MAHONEY: If the bill goes to its death, and Senator Syas has had his wish and the the old people of OMaha will not ride on 10¢ fares.

SPEAKER: Senator Skarda, are you ready to close?

SENATOR SKARDA: I don't have anything additional to add to it, but to me it just doesn't make sense, that is plain and simple. Nobody seems to know what they are doing. Nobody from the city council has spoke to us, nobody from the Mayor, I've never seen anybody from that transit authority. We have got various opinions from the delegation from Omaha, Senator Syas \$600,000 Duke Snyder, the 2 million and the 2 mil increase and the total figures of 3 million. It is just a bad piece of legislation as far as I am concerned.
